

Health Impact Assessment: Where Health and Planning Connect

Presenter: Candace Rutt, Ph.D.
Health Psychologist; Centers for Disease Control and Prevention

Part One: Health Impact Assessment – What and Why

Monday, September 21, 2009, 1:30 – 3:30 p.m.

This lecture will enable the audience to learn what a Health Impact Assessment (HIA) is, when and why it should be used, the values that underpin it, and the benefits gained by conducting an HIA when making decisions about policy and projects.

Part Two: Health Impact Assessment – How it's Done

Tuesday, September 22, 2009, 9:00 a.m. – 3:30 p.m.

This six hour workshop will engage participants in simulated case studies and exercises to apply various elements of HIA methodology.

IUPUI Campus Center

420 University Boulevard, Room 450A
Indianapolis, IN 46202

To register for either or both **FREE** session/s, e-mail your name and which session/s you wish to attend to: events@healthbydesignonline.org.
Walk-ins are accepted for Part One.
